UTR6.131 - THE JOHN HAYDEN RESEARCH FELLOWSHIP

Recitals-

A. The Mother Rectress of St. Vincent's Hospital, Melbourne, received from various persons the sum of £1,750 for the provision of a fitting memorial to the late John Gerald Hayden, formerly Professor of Medicine in the University and first Professor of Medicine appointed to St. Vincent's Hospital.

B. The Mother Rectress presented the sum to the University and requested that the proposed memorial comprise a fellowship to enable graduates in Medicine to conduct research or undertake postgraduate studies in Medicine.

C. Since receiving the original gift in 1962 further sums have been received from St. Vincent's Hospital and other parties.

It is provided as follows-

1. The sum of $3,500 and any accumulations and additions to the sum forms a fund called the ‘John Hayden Research Fellowship’ ("the fund") and the fund must be paid into an investment pool and remain there until the Council directs otherwise.

2. The fellowship is open for award from time to time to graduates in Medicine of this or any other Australian university or a university approved for the purpose by the faculty of Medicine, Dentistry and Health Sciences ("the faculty").

3. The fellowship is awarded from time to time by the Council on the recommendation of the dean of the faculty of Medicine, Dentistry and Health Sciences ("the dean").

4. The fellowship is of such value as the Council on the recommendation of the dean from time to time determines.

5. The fellowship is tenable for one year but may be awarded to the same person in a later year or years.

6. The fellow must engage in full-time postgraduate studies in Medicine under the general direction of the Professor of Medicine at St. Vincent's Hospital.
