Recitals-

A. The University of Melbourne convened a group of eminent Australians as an advisory committee, chaired by the Chancellor, The Hon. Sir (Albert) Edward Woodward, to raise funds by way of appeal to establish a perpetual fund to endow the award of a fellowship to commemorate the life and work of the late Professor Emeritus Sir (Roy) Douglas Wright, A.K.

B. To give effect to the conditions which have been agreed between the University and the advisory committee the following University trust record is proposed.

C. By 31 August 1994 the University had received the sum of $268,926 as donations to the appeal and anticipated receiving further money for the fellowship endowment.

It is provided as follows-

1. The sum of $268,926 and any accumulations and additions to the sum forms a fund called “The R Douglas Wright Fellowship Fund” (“the fund”) and the fund must be paid into an investment pool and remain there until the Council directs otherwise.

2. Subject to section 5, the net annual income of the fund is to be used to provide one Research Fellowship, to be called “The R Douglas Wright Fellowship”, in one of the following fields-

   - Physiology;
   - History and Philosophy of Science or of Medicine; or
   - Justice, Equity or Ethics in Society;

   to be tenable in any department or affiliated institution of the University.

3. The fellowship is to be awarded by the Council, at such intervals and for such periods as it may determine, on the recommendation of a committee (“the committee”) to be appointed from time to time by the Council on the recommendation of the dean of the faculty of Medicine, Dentistry and Health Sciences.

4. The terms and conditions applicable to the award of the fellowship are to be determined from time to time by the Council on the recommendation of the committee.

5. The Council may direct that the capital of the fund be resorted to for the purposes set out above.
