

UTR6.86 - JEANETTE KOSKY PRIZE

Recitals-

- A. Sol Kosky desiring to perpetuate the memory of his wife Jeanette Kosky, and for the purpose of encouraging the study of the field of international relations in order to promote international understanding and co-operation, presented to the University the sum of £1,000 ('capital sum') in 1950.

It is provided as follows-

1. The capital sum and any accumulations and additions to the capital sum form a fund called the 'Jeanette Kosky Fund' ('fund') and the fund must be paid into one or more investment common funds and remain there until Council directs otherwise.
2. A prize called the 'Jeanette Kosky Prize' is to be awarded annually on the recommendation of the head of the academic unit responsible for the discipline of Political Science ('head') to the student who has done the most original work in the study of international relations. Where candidates are otherwise equal, preference is to be given to the student whose work does most to promote understanding and co-operation between nations. The value of the prize is two-thirds of the net annual income of the fund.
3. The remaining one-third of the net annual income is to be used from time to time to purchase books on international relations for the Baillieu Library. All such purchases are to be inscribed 'Purchased by the Jeanette Kosky Fund'.
4. The dean of the faculty of Arts upon the recommendation of the head, and on behalf of the University, is to:
 - (1) award each prize; and
 - (2) approve the purchase of books.
