UTR6. 231 – THE FRIENDS AND ALUMNI OF INTERNATIONAL HOUSE
SCHOLARSHIP

Recital -

In 2005, a graduate of the University and sometime resident of International House who wished to remain anonymous, donated the sum of $100,000 to provide The Friends and Alumni of International House Scholarship which scholarship is also to be known as the FAITH Scholarship. The Scholarship is to be awarded annually to a student from rural or regional Australia who is enrolled in the first year of an undergraduate degree course and who is resident in International House.

It is provided as follows –

1. The sum of $100,000 and any accumulations and additions to the sum forms a fund called ‘The Friends and Alumni of International House Scholarship fund’ (‘the fund’) and the fund must be paid into an investment pool and remain there until Council directs otherwise.

2. The scholarship is to be awarded annually by Council on the recommendation of the head of College of International House (‘the head’) to a student from rural or regional Australia who is or is to be enrolled in the first year of an undergraduate degree and who is or is to be resident at International House. The scholarship may not be awarded to the same student on more than one occasion.

3. In awarding the scholarship, preference is to be given to a student whose financial circumstances would, in the opinion of the head, otherwise prevent him or her being a resident in International House.

4. The value of the scholarship in any year is to be a sum equal to one half of the normal fees for residence for that academic year in International House or such lesser amount as is available from income of the fund (‘the fees’) and is to be used to offset the residence fees for that student. Any unexpended income is to be retained in the fund as income and is to be available to augment the net annual income in any year when the net annual income is less than a sum equal to one half of the fees. If the income available allows, Council on the recommendation of the head, in any year, may award more than one scholarship.
