Recital-

In 1967, the sum of $3,000 was presented to the University by Mrs. Mary W. Wilson, of 'Roseneath', Lancefield, for the purpose of providing a prize in Veterinary Science for 'Veterinary work associated with Beef Cattle’ to be called ‘The Mary W. Wilson Prize in Veterinary Science’.

It is provided as follows-

1. The sum of $3,000 and all income and any accumulations and additions to the sum forms a fund called 'The Mary W. Wilson Prize in Veterinary Science' ('fund') and the fund must be paid into one or more investment common funds and remain there until Council directs otherwise.

2. The prize is open for competition at the annual assessment for the final years of the course in Veterinary Science and is to be awarded to the candidate who is the most outstanding student in studies related to the health and diseases of beef cattle.

3. The prize is awarded by the dean of the faculty of Veterinary and Agricultural Sciences.

4. The prize is funded from the net annual income of the fund.
