Recitals

A. The faculty of Architecture, Building and Planning held a limited appeal in 2003 to establish a prize commemorating Professor Frederick Ledgar MA (Manch. & Melb.), PhD (Manch.), Victoria’s first Professor of Town and Regional Planning and dean of the faculty of Architecture Building and Planning from 1973 until 1979.

B. The purpose of the appeal was to provide ‘an annual award to the highest achieving graduate of the undergraduate planning program at the University of Melbourne … The Ledgar Prize to the top graduate in the Bachelor of Urban Planning and Development’.

C. The appeal raised the sum of $57,254.13.

D. The University accepted the donations upon the trusts specified in the appeal letter, and those trusts therefore became the capital subject to those trusts (‘capital sum’).

E. On 15 November 2011, the Attorney-General sanctioned the following scheme pursuant to section 4 of the Charities Act 1978 (Vic) to vary the trust known as The Ledgar Prize in Urban Planning-

‘The net annual income of the fund is to be used to provide the Ledgar Prize in Urban Planning awarded to the student who receives the highest aggregate mark over the course for the degree Master of Urban Planning.’

F. This University trust record is the means by which the University records -

(1) the trusts upon which the University as trustee holds trust property, including the capital sum, specified in the appeal letter and amended by the Attorney-General; and

(2) the administrative arrangements for the implementation of those trusts, as determined by the University from time to time.

It is provided as follows-

Name of the fund

1. The capital sum, all income arising from the capital sum, and any accumulations and additions thereto together form a fund called ‘The Ledgar Prize in Urban Planning’ (‘fund’).

Investment of the fund

2. The fund is to be paid into one or more investment common funds and remain there until Council directs otherwise.

Trust terms

3. As trustee of the fund, the University is obliged by the trusts specified in the appeal letter and amended by the Attorney-General-
(1) to award a prize to the student who receives the highest aggregate mark over the course for the degree Master of Urban Planning;

(2) to call the prize ‘The Ledgar Prize in Urban Planning’; and

(3) to award the prize out of the net annual income of the fund.

Administrative arrangements

4. Until its further determination, and in order to implement the trust terms, the University has determined that the dean of the faculty of Architecture Building and Planning is authorised to award each prize on behalf of the University.
