Recitals-

A. On 14 October 1963 A.J. Glasson Williams the Assistant Registrar of the University on the occasion of his 60th birthday after more than 30 years’ service with the University presented the sum of £600 to be the nucleus of a fund to provide bursaries for the encouragement of worthy students of the university.

B. The donor presented further sums to be added to the fund.

It is provided as follows-

1. The sum of £600 (‘capital sum’), all income arising from the capital sum, and any accumulations and additions thereto together form a fund called the ‘Glasson Williams Bursary’ (‘fund’), which must be paid into one or more investment common funds and remain there until the Council directs otherwise.

2. The bursary is awarded from time to time by resolution of the committee responsible for student loans and grants (‘committee’).

3. The committee may determine the value of each bursary, having regard to the needs of the recipient.

4. The ordinary tenure of the bursary is the period required to complete the course chosen by the bursary-winner but if it appears to the committee that the bursary winner is not making satisfactory progress the Council may on the recommendation of the committee terminate the bursary at any time.

5. The chair of the committee is responsible for awarding the bursary on behalf of the University.
