UTR6.173 - THE ROBIN D. HOCKING SCHOLARSHIP

Recitals-

A. His family, friends and colleagues in the University and Ormond College have responded to an appeal, launched in 1982, to establish a fund in the University for the endowment of a scholarship in memory of the life and work of the late Robin Douglas Hocking, formerly a lecturer in the faculty of Economics and Commerce and the Director of Studies in Economics in Ormond College, whose untimely death occurred on 23 February 1981.

B. The donors agreed that the capital, as well as the income of the fund, may be applied to the scholarship and any administrative expenses associated with the award provided by the fund.

C. The sum of $15,148, which was donated to the University increased to $19,133 at 31 December 1994.

It is provided as follows-

1. The sum of $19,133, together with any accumulations and additions to the sum forms a fund called the ‘Robin D. Hocking Scholarship Fund’ (‘the fund’) and the fund must be invested as the Council from time to time determines.

2. The Robin D. Hocking Scholarship (‘the scholarship’) is open for award annually and its value is the net annual income of the fund.

3. The scholarship is awarded by the Council on the recommendation of the dean of the faculty of Economics and Commerce who, in formulating that recommendation, must consult with the Master of Ormond College.

4. The scholarship is open for competition amongst students enrolled in the Third Year of the course for the degree of bachelor of Arts or the degree of bachelor of Commerce who are undergoing assessment in the courses conducted by the faculty of Economics and Commerce and is awarded on the basis of academic merit.

5. As a condition of the award, the successful candidate must, for the tenure of the scholarship, be enrolled as a candidate in the Final Year of the course for the degree of bachelor of Commerce with honours or for the degree of bachelor of Arts with honours in the honour school in Economics or in any combination of honour schools or fields of study which includes Economics and must be a resident member of Ormond College.

6. The Council may, on the recommendation of the dean, expend a part of the capital of the fund for the purpose set out in section 2.

7. The scholarship may be held concurrently with any other award of the University or the College.
