B. Mr. Kaufman directed that the income of the fund be used ‘to provide scholarships, bursaries or other assistance to students or prospective students pursuing or proposing to pursue a course in the faculty of Architecture, and he further directed that ‘the terms and conditions of such scholarships, bursaries or other assistance shall be determined by my trustees in their sole and absolute discretion’.

C. The trustees have approved the following terms and conditions applicable to the making of awards from the fund.

D. The University received the sum of $170,974 in satisfaction of the bequest, which sum remained $170,974 at 31 December 1994.

2. The net annual income of the fund is applied by the Council on the recommendation of the faculty of Architecture, Building and Planning to the award of such scholarships or bursaries or to the provision of such other assistance to undergraduate and postgraduate students undertaking architecture courses in the faculty as the Council may from time to time deem appropriate and on such other conditions as the Council may determine.

3. The name of Michael Kaufman must be associated with each application of the income of the fund.
