UTR6.291 - THE CATHERIN BULL SCHOLARSHIP IN LANDSCAPE ARCHITECTURE

Recitals-

A. In September 2010, Catherin Jane Bull AM MLArch (Melb.), DrDes (Harvard) (‘donor’) donated the sum of $30,000 to the University (‘donation’). By memorandum of gift dated 21 September 2010, the donor stated-

‘The gift is for the purpose of providing one or more scholarships to be awarded annually on behalf of the University by the dean of the Faculty of Architecture Building and Planning on the recommendation of the director of The Melbourne School of Design to students enrolled or to be enrolled in the course for the degree of master of Landscape Architecture.’

B. The donor studied at the University and held the Elisabeth Murdoch Chair of Landscape Architecture between 1998 and 2010. Her roles included Head of Landscape Architecture, Associate Dean (International) and Deputy Dean and she chaired and contributed to various committees of the faculty and University during her tenure. The donor was awarded membership of the Order of Australia in 2008, for services to landscape architecture and urban design.

C. An additional donation of $30,000 to the fund has been received and further donations are expected from the donor and members of the landscape architecture profession.

D. The University accepted the donation upon the trusts specified by the donor, and the donation therefore became the capital subject to those trusts (‘capital sum’).

E. This University trust record is the means by which the University records -

1. the trusts specified by the donor upon which the University as trustee holds trust property, including the capital sum; and

2. the administrative arrangements for the implementation of those trusts, as determined by the University from time to time.

It is provided as follows-

Name of the fund

1. The capital sum, all income arising from the capital sum, and any accumulations and additions thereto together form a fund called ‘The Catherin Bull Scholarship in Landscape Architecture Fund’ (‘fund’).

Investment of the fund

2. The fund is to be paid into one or more investment common funds and remain there until Council directs otherwise.

Trust terms

3. As trustee of the fund, the University is obliged by the trusts specified by the donor (‘trust terms’)-
(1) to establish a perpetual trust;

(2) subject to section 3(6), to award annually one or more scholarships to students enrolled or to be enrolled in the course for the degree of master of Landscape Architecture;

(3) to call each scholarship ‘The Catherin Bull Scholarship in Landscape Architecture’;

(4) to provide that each scholarship is awarded on behalf of the University by the dean of the faculty of Architecture Building and Planning (‘dean’) on the recommendation of the director of Melbourne School of Design (‘director’);

(5) to provide that the value of each scholarship is to be determined on each occasion of its award; and

(6) to award the first scholarship in the year immediately following the year in which the sum value of the trust is equal to or greater than $100,000.

Administrative arrangements

4. Until its further determination, and in order to implement the trust terms, the University has determined that -

(1) the number of scholarships awarded each year is to be determined by the dean on the recommendation of the director; and

(2) the value of each scholarship is to be determined by the dean on the recommendation of the director.

5. The dean is authorised to award each scholarship on behalf of the University in accordance with section 3(4).
