COVID-19 health check required to work on or visit campus

DO NOT come on campus if you:

• are currently required to self-quarantine (self-isolate)
• are waiting for a COVID-19 test result
• have been in close contact with a confirmed case of COVID-19
• have returned from overseas in the past 14 days
• have a new illness, especially a fever, sore throat, cough or respiratory symptoms

RECONSIDER your need to come to campus if in the past 14 days you have:

• returned from interstate
• had a new illness, especially a fever, sore throat, cough or respiratory symptoms
• been in contact with anyone who has been in contact with a case of COVID-19 or anyone with a new illness with the above symptoms

If you answer NO to ALL questions, and have permission to be on campus, make sure you:

• Plan your trip, where possible avoid using public transport
• Keep a distance of at least 1.5 metres between you and others
• Wash your hands often with soap and water
• Use an alcohol-based hand sanitiser
• Cough/sneeze into your elbow
• Avoid face-to-face meetings

Find the Health Checklist in the ‘Attending campus’ section of unimelb.edu.au/coronavirus
